

This image is a review from the Hachette Wine Guide. At the top, there is a map of France with a red dot indicating the 'VALLÉE DU RHÔNE' region. Below the map, the wine is identified as 'Ch. Beaubois - 2015 ★★'. The 'Expression' is described as 'Charpenté' and the 'Costières-de-nîmes'. To the left, a bottle of wine is shown. The main text describes the wine as a Costières de Nîmes that associates classically with Syrah (70%) and Grenache. It notes that while it may take years to fully develop, it already shows appealing qualities like an intense dark robe with violet reflections, a rich and powerful nose dominated by dark fruit and spices, a full-bodied and well-structured mouth, and a long finish with spices, mure, and licorice. Below the text are four circular icons: a calendar for '2019-2026', a wine glass for 'Cuve', a green circle with 'BIO' for 'Vin bio', and a bear for 'Gibier à poils'. At the bottom, there is contact information for the wine producer: 'Fanny et François Boyer - Ch. Beaubois - RD6572 - 30640 Franquevaux - chateau-beaubois@wanadoo.fr'.
